Description: The GDOT TMC is turning 25 this year, and we are bringing together ITSGA and GAITE for a celebration! Georgia Department of Transportation's Transportation Management Center (TMC) is ground zero for mobility in the state and the nerve center for our world-class intelligent transportation system (ITS). Join us this October for lunch, presentation, and a tour, that will sum up the excitement of GDOT's past 5 years (and beyond!) and showcase their state-of-the-art facility. The meeting will be held under a tent in the side-lot at the TMC, with lunch at 11:30, presentation at 12, and two schedule options for your tour viewing available.
